

Ash fallout scenarios at Vesuvius: numerical simulations and implications for hazard assessment

Authors: [Folch, Arnau](#) / [Costa,](#) / [Macedonio, G](#)

Publication: Journal of Volcanology and Geothermal Research

Place Published: NETHERLANDS

Volume / Pagination: 178 / 366-377

Paraules clau: [computer model](#), [Vesuvius](#), [volcanic ash fallout](#), [volcanic hazard](#)
