

Efficient Data Sharing on Heterogeneous Systems

URL: <http://ieeexplore.ieee.org/abstract/document/8025286/>

Authors: [Garcia, Victor](#) / [Ayguadé, Eduard](#) / [Pena, Antonio](#)

Research Lines: [Memory hierarchy for GPU acceleration](#)

Publication: 46th International Conference on Parallel Processing (ICPP)

Place Published: Bristol, UK

Pagination: 121-130

Paraules clau: [memory organization](#), [heterogeneous architectures](#), [GPUs](#), [collaborative computations](#), [demand paging](#)

Barcelona Supercomputing Center - Centro Nacional de Supercomputación
