

## [A Low-Complexity, High-Performance Fetch Unit for Simultaneous Multithreading Processors](#)

**Authors:** [Falcón, Ayose](#) / [Ramirez, Alex](#) / [Valero, Mateo](#)

**Publication:** 10th International Conference on High Performance Computer Architecture (HPCA-10)

**Place Published:** Madrid (Spain)

**Pagination:** 244-253

Barcelona Supercomputing Center - Centro Nacional de Supercomputación
