Overview on Agent-Based Social Modelling and the use of formal languages

URL: http://www.igi-global.com/book/formal-languages-computer-simulation/75484

Authors: Montañola-Sales, Cristina / Rubio-Campillo, Xavier / Casanovas-García, Josep / Cela, José Ma. / Kaplan-Marcusan, Adriana / Fonseca, Pau

Research Lines: Policy analysis

Publication: Formal Languages for Computer Simulation: Transdisciplinary Models and Applications

Place Published: Hershey PA, US

Pagination: 333-377

Paraules clau: Agent-based modeling, Agent-based Simulation, Computer Simulation, formal languages, overview, social modelling, social simulation
