

[Randomizing Task Placement Does Not Randomize Traffic \(Enough\)](#)

URL: <http://doi.acm.org/10.1145/2482759.2482762>

Authors: [Jokanovic, Ana](#) / [Prisacari, Bogdan](#) / [Rodriguez, German](#) / [Minkenberg, Cyriel](#)

Research Lines: [Performance Analytics](#)

Publication: Proceedings of the 2013 Interconnection Network Architecture: On-Chip, Multi-Chip

Pagination: 9?12

Paraules clau: [dragonfly networks](#), [High Performance Computing](#), [network throughput](#), [random task placement](#), [uniform traffic](#)
