

Using Quantile Regression in Neural Networks for Contention Prediction in Multicore Processors

URL: <https://drops.dagstuhl.de/opus/volltexte/2022/16321/pdf/LIPICs-ECRTS-2022-4.pdf>

Authors: [Brando, Axel](#) / [Serra, Isabel](#) / [Mezzetti, Enrico](#) / [Abella, Jaume](#) / [Cazorla, Francisco](#)

Publication: 34th Euromicro Conference on Real-Time Systems (ECRTS 2022)

Volume / Pagination: 231 / 4:1-4:25

Paraules clau: [Multicore Contention](#), [Neural networks](#), [Quantile Prediction](#)
