Registration for the PRACEdays14 is now open

BSC organizes the PRACE Scientific and Industrial Conference that will be held in Barcelona from 20 to 22 May 2014. Registration will close on 12 May 2014.

PRACE will organize its first Scientific and Industrial Conference – the first edition of the **PRACE days** - under the motto *HPC for Innovation – when Science meets Industry*. The conference combines the previously separate PRACE Scientific Conference and PRACE Industrial Seminar and will bring together experts from academia and industry who will present their advancements in HPC-supported science and engineering. The conference programme consists of keynote speeches, parallel session and a poster session, as well a meeting of the **PRACE User Forum**.
Registration will close on 12 May 2014
