

## **TunaOil: A Tuning Algorithm Strategy for Reservoir Simulation Workloads**

**URL:** <https://www.sciencedirect.com/science/article/pii/S1877750322001806>

**Authors:** [Portella, Felipe](#) / [Buchaca, David](#) / [Rodrigues, José](#) / [Berral, Josep Lluís](#)

**Research Lines:** [Applied Learning Methods](#) / [Data-Centric Architectures](#)

**Publication:** Journal of Computational Science

**Place Published:** Elsevier

**Palabras clave:** [Machine Learning](#), [Parameter Tuning](#), [performance model](#), [Petroleum Reservoirs](#), [Reservoir Simulation](#)
